TEAM REFLECTIONS

TEAM REFLECTION

- How did you feel about this activity? What did you like about it? What did you dislike about it?
- What is your team most proud of with respect to the work accomplished in this project deliverable?
- What did you learn about yourself as you collaborated and worked on this activity (individually and as a team)?
- How will you use (or not use) what you have learned/experienced in this activity going forward?
- What "stuff & things" related to this activity would you like more help with?
